**2018 Annual Catholic Appeal**  
*(Joy in Christ, Our Gift to Share)*

*“The most obvious lesson in Christ’s teaching is that there is no happiness in having or getting anything, but only in giving.”*  
- Henry Drummond

How happy are you? Or should I more accurately ask—How much are you giving?

I don’t know about you but this quote is how I live my life and how I feel when I give something vs. when I get something?

Please be happy/generous and help us make our Annual Catholic Appeal goal.

THANK YOU to everyone who gave during our in-pew weekend last week. (We don’t have final numbers yet but are hoping to make a lot of progress toward our goal!

If you have not already donated, please take time to pray on how much you feel you can contribute to those in need.

If you have already donated—’**Thank You!**’

Please also remember that no donation is too small.

**REMINDER**—The Annual Catholic Appeal officially ends on June 30. While, in the past, we have taken longer to meet our goal, please help us achieve our goal by June 30. That way (and here’s the motivation for doing this) you will not have to see these messages again until next year.  
\*\*\*\*\*

**Appeal Update:** As of Monday, June 11, St. James parishioners have donated \$100,651 to this year’s appeal. That is 77.42% of our goal of \$130,000 goal.

**FAITH FORMATION**

Betsy Redgate

**Interested in becoming a Catholic?** If you or someone you know is interested in joining the Catholic Church, our program for adults begins in September. Sacraments will be received at the Easter Vigil. Please contact the Parish Center for more information.

**Visit Ignatian Spirituality.com** – a website that has articles on prayers and spiritual practices taught by Ignatius of Loyola.

**Sacred Space**– a free app for your phone with daily scriptures, music and reflections

*Moving towards those who suffer and sharing their pain may seem somewhat morbid. What joy can there be in solidarity with the sick and the dying? But just look at people like Francis of Assisi, Mahatma Gandhi, and Mother Teresa. They were far from masochistic. They all radiated joy! This is because one of the most beautiful characteristics of the compassionate life is that there is always a mutuality of giving and receiving. Anyone who has truly entered into the compassionate life will say, “I have received as much as I have given’. They will express gratitude for the gifts received from those they came to help. Joy is the secret gift of compassion.*
