I am pleased with the initial reception to our parish vision: **Engage**. I am aware and respect the many things that people already do who are engaged in the parish and the community: all of our liturgical ministers, for example. Yet, there is a great need for additional ministers because some of them have to serve so frequently. We are going to continue to offer the Mass at 5 pm on Sundays throughout the summer. However, we also need more liturgical ministers to serve as lectors, minister of Holy Communion, musicians, etc. Otherwise, the few will rapidly burn out and then we won't be able to have those Sunday afternoon masses.

I also think of the many ways people are engaged in the community: hospice volunteers, school boards, coaches, room-parents and PTA members, political offices, community boards, working with non-profit groups and service organizations. They are many ways to Engage. For youngsters, participating in our faith formation is a great way to Engage as they grow as disciples of Jesus. For more ideas, you can watch the videos on our website about the four bullet points: Love God; Grow Disciples; Share the Gospel; Serve the World. www.StCatherineSiena.org/vision

Our Engagement is also a movement of the Spirit. It may help to ask for the Spirit's guidance, and to be quiet and listen. I think that often when we are receptive, the right thing pops into our lap.

We have a great Finance Council at our parish. We offer our farewells and gratitude to Norm Hawker who has served two 3-year terms and been the Council's chair for a while; and Margaret Erich, Joe Grzegorzcyk, and Tim Meeker who are finishing their first terms in 2018. Two more members are in the midst of their second term: David Carpenter and James Hoppe. Finally, we welcome three new members: Jim Lewis, Bob Randall, and Patrick Walsh. The members oversee the preparation and approval of an annual budget, review quarterly financial statements, and oversee the monthly reconciliation of our accounts. They also are one group of parishioners that approves major expenditures (depending on the size, approval may also be required from the bishop). It's not true that the Pastor can just spend whatever he likes.

The Diocese of Kalamazoo is hosting a special evening with a dinner and speaker for married and engaged couples entitled Witness to Love. It will take place at the Lawrence Education Center Auditorium (Borgess Hospital, on Thursday, June 28. The cost is \$30 per couple, and registration is online by June 24 at www.diokzoo.org/DomesticChurch. Invite some other couples to join you and sit together.

If you have religious article and you are unsure how to dispose of them they can be brought to the church or office for proper care. On your own, burning is considered to be respectful for items like palms.

I am leaving early Sunday morning for my annual retreat at the Cistercian monastery of New Melleray in Dubuque, Iowa. There in the midst of the rolling cornfields I will have six days of quiet time for prayer. On the following two weekends I will be returning to my former parish of St. Thomas More for the weekend masses while the new pastor goes on a pilgrimage to Medjugorje.

The Traveling Chalice Program encourages families to pray and promote vocations to the Priesthood and Religious Life. The consecrated Chalice is a tangible reminder of this special intention for the Church. All parishioners are invited to participate in the program. If you would like to have the chalice in your home, please stop into the office to sign up. You will choose the weekend mass time you would like to receive the chalice, then we ask that you bring it back the church office the following Friday between the hours of 9 am and 5 pm.

You’re invited to a “homemade” community meal on the third Saturday of every month from 11:30 am – 1 pm. Join us for both delicious homemade food and warm fellowship. Youth Faith Formation
Philip Dezern 616-633-0994 pdezern@stcatherinesiena.org

People sometimes ask what we do at a youth ministry activity. While each youth ministry activity is different, there are similar components.

- We will play a game or two during the youth ministry time.
- We will have a small snack for middle school functions. Some youth want a larger variety of food, but we remind them we are not a full-service restaurant. High School Youth Ministry gets pizza at their events because of the timing.
- We will do lessons with scripture or catechism lesson. This involves them reflecting on three questions. "What word or phrase sticks out to you in that passage? Why is that word or phrase sticking out, what is happening in your life? What is that word or phrase calling you to do?"
- We have theology learning over a particular topic.
- We have small group discussion.
- We often have meditation time.
- Finally, the youth get to evaluate each and every activity with an anonymous written evaluation.

The goal of our youth ministry program is that we get to have some fun, eat some food, reflect with scripture, learn some theology, have discussion over how to live the faith and have meditation time to talk to God. Finally, we want to give the youth the chance to share how they felt about the night and how it made them think. **If you are interested in seeing more of what we do, we would love to have you visit and even lead.**

JUNE 2018 – MAY 2019 PROGRAM IS OUT...THIS INCLUDES CONFIRMATION INFORMATION

If you going to have a 6th -12th grader next year, please pickup your packet of information or email Philip to have it either emailed or mailed to you. You can have your youth pick it up at the next youth ministry time as well.

We are also looking for more leaders this year in the program. Anyone that has graduated from high school can assist as a leader.
