A SPECIAL NOTE OF THANKS...

Leading up to and during our amazing week of **Vacation Bible School**, we received a tremendous amount of support through our many volunteers and a week like this would not have happened without them. On behalf of our planning committee we would like to take this time to say a very special thank you to everyone who has helped from the earliest planning stages to our final day. We would also like to thank our local CWL, Knights of Columbus and pork producers for their generous support. And lastly, we would like to thank you, our community and our parishes for your support, prayers and blessings. This week would not have been a success without all of

you. There are far too many people to mention by name but we would like you all to know how very important each and every one of you was to making this such a successful week.
