Dear Parents,

We hope this letter finds you well. Here we are again stuck in lockdown. As you can imagine the first Reconciliation schedule has been bumped up. We are hoping to be able to celebrate this sacrament with your child before March break. However, as you all know, that is determined pretty much on a daily basis these days.

We wish you to know that we are working hard alongside the schools to be able to connect. There have been a few technical difficulties but we are working together to rectify that situation. Our plan is to connect with you remotely through the schools. We ask that you continue to work hard on your books with your child. Once school is open again, we will do a few follow up sessions with your children.

We are very grateful for your patience. We wish to leave you with this very hopeful reflection. As we work together, we are witnessing a greater sense of unity and care. We are able to laugh at our fumbling, trying to stay connected safely. We notice this deep longing in many of you to be together once again. Please know that is our desire too. We long for the day we all can celebrate together. We are a people of hope and we gain strength through each connection we make. We are overcomers through the grace of God. We are praying daily for all of you. If you need to call or email please do not hesitate to contact us.

Stay at home, stay healthy, be safe.

Yours in Christ,

Fr. Philip Joseph
