

Dear School Families,

Cardinal John Foley School opened its doors in September to a new and exciting year—amidst the many demands and challenges presented to us because of COVID19. Yet our students, teachers and staff, along with the strong partnership of our parents, have adjusted and cooperated with our Health and Safety Plan to keep everyone as safe and healthy as possible. We remain committed to our high ideals of Catholic Education even in the midst of these uncertain times.

The Health and Safety of our students, faculty and staff remain a constant concern and a top priority. *During this year we have had to absorb many unbudgeted expenses related to the need for daily sanitation, increased personnel and other COVID19 related expenses. In light of the need for social distancing, we had to limit our enrollment, which has a financial impact as well.*

One of the principle tasks of the School Advisory Board is to help us create a clear plan for budgeting and prudent spending for the coming year. We are truly grateful for their commitment to keep Catholic Education available and affordable for all families. **Fully aware of the financial impact COVID19 has presented to our school finances, but equally aware of the burdens your families have embraced during this time, we have accepted the recommendations of the Board to modestly increase tuition for the 2021-22 School Year.**

Financial assistance is available for families in need. Any family requesting tuition assistance must complete the FACTS Aid Application. The FACTS Application for Financial Assistance can be accessed from our website. Last year, through BLOCS, we were able to help many families in our school. Any additional concerns, please contact your respective pastor or Mrs. De Angelo as soon as possible. Please contact us immediately if you foresee some financial difficulty.

Obviously, like your own households, each year brings about an increase of expenses. We have worked hard to help keep our tuition affordable.

We are grateful to you for the sacrifices you are making to be a part of the Cardinal Foley School family! It is a joy for us to provide quality Catholic formation and education.

Sincerely Yours in Christ Jesus,

Reverend James M. Cox
