We welcome seniors, 62 and older and persons with physical disabilities in need of an accessible unit to join our community. We are minutes from downtown and the Historic French Quarter. We offer a variety of activities including birthday celebrations, holiday and social parties, scheduled van service for shopping and doctor's visits.

Service coordinators are on staff to assist residents with services such as health/wellness, senior employment/volunteer, job training and transportation. Our service coordinators help our residents age in place for as long as possible.
