Dear Parents,

The children spent the week participating in activities relating to Christmas, the Nativity and reindeer. We would like to take this opportunity to wish you a Merry Christmas. May the holiday season provide you with peace and joy.

Here are a few highlights from our week:

- Identify number order by completing a dot-to-dot reindeer
- Write Christmas words
- Make reindeer food
- Listen to Rudolph, Rudolph Shines Again and Rudolph to the Rescue
- Piece together a Rudolph puzzle
- Create a Nativity Scene
- Write a Christmas story
- Illustrate their favorite part of Christmas
- Listen to Santa's Favorite Story
- Graph Christmas Tree decorations
- Identify high frequency words
- Count Christmas items correctly
- Listen to Room for a Little One

Mouseketeer of the Week:

Sahana was our "Mouseketeer of the Week". She brought in a Jasmine handbag, a special book, a Rapunzel doll and her father. Her favorite part of being Mouseketeer of the Week was sharing her dad.

Looking Ahead:

January 6th -Classes Resume

January 7th - School Mass

January 20th - No School

It was a **MAGICAL** week...

Reminders:

- Children need to bring hats and gloves or mittens to school. We go out for recess everyday unless it is raining or the temperature is extremely low.
- Please remember to send your child with a **filled** water bottle and snack every day. We have had some children arriving recently with empty water bottles and not bringing snacks.
- Please make sure that you are sending in a peanut/tree nut free snack for morning snack. We have had a couple of children bring snacks that contain nut products such as Honey Nut Cheerios, and granola bars. These are fine for lunch but please make sure that there is a Nut Free Snack for morning snack. We want our classroom to be a safe, happy and healthy working environment.
