

ST.MARY GRADE 7 PRESENTS

Lend A Helping Hand With Love

 **COAT DRIVE** 

Help someone
Bring in Winter Essentials

St. Mary School Shrewsbury November 16- December 4

Dear Students and parents,

Every year around the beginning of November we have a coat drive. This coat drive is where students and teachers bring in coats in bags. We also take mittens, hats, and snowpants! Really anything winter. You will see fliers everywhere and other advertisement papers around the school! But this year, there is a prize!

For every bag that you bring in is worth 1 ticket! Make sure to write your name on the bag you bring in! We recommend bringing in paper bags, but plastic is fine too! We have students who will take each bag, and write your name on a ticket! This ticket will go into a BIG bowl, and at the very end of the coat drive a name will get picked from the bowl! You can win an out-of-uniform slip! 3 winners will be picked, so make sure to bring in some winter items! This coat drive will end on Dec. 4th, so remember to bring your coats in!

As for the out-of-uniform slip, you can be out-of-uniform any day you want! Just check with a teacher before-hand.

Thank you! And remember to bring in your coats!

The 7th Grade
