

SAINT MARY SCHOOL
16 SUMMER STREET
SHREWSBURY, MA

November 9, 2020

Dear Parents,

It is hard to believe how quickly the holiday season will be upon us. In lieu of collecting items for both November and December, we are asking you to send in **cake, muffin, or bread mixes, and facial tissues** only for November. There will be no collection for St. Anne's Parish during December. These items will be due in school no later than **Tuesday, November 17th**. Due to Covid-19, additional financial concerns have been placed on your shoulders. It is my small attempt to alleviate your burden by asking for these donations fewer times throughout this particular school year.

Both the workers and the clients at St. Anne's Parish are extremely appreciative of whatever goods we are able to contribute to them. Our joy as teachers at St. Mary School comes from knowing that your generosity holds a special place in God's heart.

We, at St Mary School, extend warm wishes to you and your families for a bounteous Thanksgiving and a joyful and blessed Christmas.

God bless you,

Sr. Rosemarie
