Dear Parents,

It was a wonderful week celebrating love and friendship. We completed several activities about Valentine's Day. The children loved the hands on activities as well as learning songs and completing some papers relating to the holiday. We discussed Dental Health Month and had a dental hygienist, Mrs. Lynne Faucher, come in and discuss good dental health. We also discussed President's Day that will be observed during our February vacation. We hope that you all have a wonderful vacation.
