

Kindergarten Blizzard Bag #4

Make sure all written work is turned in with this signed assignment sheet. **Don't forget to put your name on the papers!**

1. Visit with Jesus today. Say the Kindergarten Morning Prayer, Hail Mary and the Our Father. Remember to think about those less fortunate and people that need our prayers while praying.
2. Log on to raz-kids.com and read three stories. Make sure that you listen to the story and then read the story as well.
3. Illustrate and write a sentence about one of the stories that you read on raz-kids. Remember to use punctuation and a capital at the beginning of the sentence.
4. Use measurement today. Help a grown up bake something using measuring cups or use a ruler around your house to measure the length of items. Draw a picture or take a photo to share what you measured.
5. Practice writing your sight words. You can write them in sand, snow, shaving cream, rice, or on paper. Have fun!
6. We have been talking a lot about helping others this year. What things can you do to help others? You can illustrate a picture, have a grown up write down a list for you or you can write a sentence about what you can do to make the world a better place.
7. Practice rhyming. Play a game with another person by identifying rhymes (the first one that gets stumped and can't think of a rhyme is out).
