

Hello Saint Mary School Families,

I am reaching out to ask if your family would like to participate as a host family for new families entering St. Mary for the upcoming school year.

This volunteer opportunity is low-stress and it will not be time-consuming. It would simply require you to reach out to the new family and answer any questions they have.

If you can help, I will match you up with a family so you can connect with them. This is something special our school offers to help new families feel welcome and comfortable. Please help us to carry on that tradition!

You can reach me at

Thank you in advance!
