

No more clipping! Box Tops now has an App so you earn money electronically for our school without having to send in your tops.

Getting started:

Download the Box Tops for Education App on your phone.

Create an account (free) - email and password, you can opt out of newsletters. You can link it to Facebook or Google but it's not required.

Find our school with the zip code 01545.

ST MARY ELEMENTARY SCHOOL is listed.

Complete your profile with your Name, Birthdate, and zip code.

To earn:

Scan your receipt when you know you purchased an item with the Box Tops for Education logo (Grocery stores, Target, Walmart, BJ's and more). They can do delivery orders too.

It does the rest and tracks the amount you earned for the school.

SMPA will receive a check twice a year.

More info can be found on their website: <https://www.boxtops4education.com>
