

St. Katharine Drexel Preparatory School

"Continuing The Drexel Dream"

Since 1915

Good afternoon students, parents, faculty and staff,

After much consultation, thought, and prayer, St. Katharine Drexel Prep will be opening its doors for the 2020 - 2021 school year!

Beginning Monday, September 14, 2020, we will continue the school year on a hybrid model.

On Mondays and Tuesdays, our 8th and 10th grade students will report to the school for face-to-face instruction. The 8th and 10th grade students will continue to receive virtual instruction at home on Wednesdays, Thursdays, and Fridays.

Our 9th, 11th, and 12th, grade students will have virtual instruction at home on Mondays, Tuesdays, and Fridays. **The 9th, 11th, and 12th, grade students will have face-to-face instruction at SKDP on Wednesdays and Thursdays.**

Lunch will be provided by the cafeteria. St. Katharine Drexel Prep will be a satellite lunch-site this year. That means our lunch will be cooked at another school and transported to St. Katharine Drexel. It will be imperative for the students to make their decision as to whether they want a hot lunch or a sandwich during homeroom. They will not be able to change their mind at lunchtime. The lunch menu for the month will be posted on the school website.

At the end of the school day on Tuesdays, the 8th and 10th grade students will be escorted to the cafeteria to receive three breakfasts and lunches to take home with them. This will be their meals at home for Wednesday, Thursday, and Friday.

The cafeteria will provide the 9th, 11th, and 12th, grade students three breakfasts and lunches at the end of the day on Thursdays so that they can have breakfast and lunch at home for Friday, Monday, and Tuesday.

Parents that I have spoken with whose daughters have underlining conditions will remain virtual until it is safe for the students to return to school. The teachers will be provided with a list of these students.

Blessed by the Best,

Eric J. Smith
