RELIGIOUS  
FREEDOM  
WEEK

**Strength in Hope  
June 22 — 29**

Religious freedom means that people are not impeded by the state from seeking and responding to the truth about God. It also means that the Church has the space to carry out the mission that Christ has entrusted to her. Today, the Church faces many challenges to her efforts to advance the kingdom of God. Lay Catholics who seek to serve in public office have had their faith questioned in public hearings. The redefinition of marriage in civil law could bring an end to faith-based foster and adoption services. Christians in places like the Middle East and Nigeria face violent persecution. And we are all too aware that the scandal of sexual abuse within the Church is a self-inflicted challenge.

The Second Vatican Council's Decree on the Apostolate of the Laity teaches that all members of the Church share in the mission of advancing the kingdom of God in every sphere of human activity: "The Church was founded for the purpose of spreading the kingdom of Christ throughout the earth for the glory of God the Father, to enable all men to share in His saving redemption, and that through them the whole world might enter into a relationship with Christ. All activity of the Mystical Body directed to the attainment of this goal is called the apostolate, which the Church carries on in various ways through all her members" (Apostolicam actuositatem, 2).

**Keep the Seal:  
Protecting the Sacrament of Reconciliation  
Senate Bill 360: Action is Needed**

The Bishops of California are urging Catholics to oppose SB 360, a California bill that seeks to force priests to disclose information heard in the sacrament of confession. We know that can never happen. Priests will never disclose what they hear in confession. We are asking all Catholics to tell your state Assemblymember that we oppose the government interfering in our right to practice our faith. **You are asked to sign a letter opposing SB 360 unless it is amended. Sign a letter opposing SB360 at [sfarch.org/keeptheseal](http://sfarch.org/keeptheseal).**

**Wine and Cheese Social**  
on Saturday, June 29  
following the 5:00 pm Mass  
on the Plaza.  
All are welcome.

**St. Patrick's Thrift Shop**

The Thrift Shop is looking for a small refrigerator — dorm size or thereabouts — to keep in our "break room". This would enable our volunteers to have cool drinks in the upcoming summer!

**Thank you!**

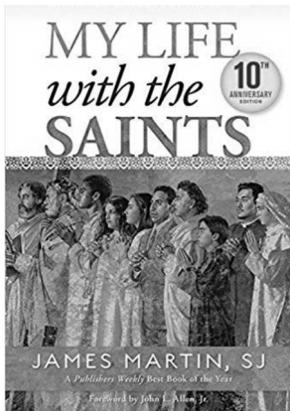

### Our Parish Lifeline for the St. Vincent de Paul Society

This past "school" year, our St. Patrick's St. Vincent de Paul Society volunteers sponsored and participated in six in-service trainings and one convocation all the while attending regular meetings and calling on several clients each month. From January 2018 through May 2019, we gave financial assistance 83 times. That is entirely because of your generosity. Every single dollar you give makes a great difference in the lives of those in our neighborhood who are dealing with very difficult situations. The opportunity to continue that support is again approaching. The Fifth Sunday collection on the weekend of June 30 will help our St. Patrick's Conference continue giving hope to our many neighbors in need. We greatly appreciate your donations.

We would also love you to join us in this very satisfying work. We welcomed six new volunteers this year and would love more help with a wide variety of activities if you have a little extra time. Just contact the rectory if so.

Movie producer Megan Harington and comedian/actor Christopher Meehan will speak about what is happening with pro-life and Christian films. Surprisingly, faith- and morals-based films are making unexpected profits and winning sizeable audiences. This phenomenon has caught the eye of Hollywood executives who have created a niche film studio focused on that market. All are welcome to the evening, admission is free.

## **WE DID IT!**

We have not only made our AAA goal but have also surpassed our stretch goal of \$100,000.00! My sincere thanks to all of you who participated in this worthwhile endeavor to help support the good works of the Archdiocese of San Francisco. In addition to supporting the mission of the Archdiocese, we as a parish benefited financially from the donations received above the goal set by the Archdiocese. 100% of excess funds (funds received in excess of the AAA goal) are being returned to the parish. This year, I plan to use those funds to improve the sound system in our church. Over the past several years, parishioners have spoken to me about the inadequacy of the current sound system. I hope to improve the system which will be of benefit to us all as we gather together for worship.

For those who have yet to participate in this year's campaign, not to worry. It is not too late. Please take a brochure from the vestibule of the church, fill it out, and place it in the collection basket some Sunday, or contribute electronically via the parish website. Know that your donation will also be greatly appreciated and put to good use here in our wonderful parish.

Please know that I am extremely grateful to all of you for the many ways in which you support our parish community. You truly reflect your faith not only in word but also in action.

God bless you all!

***Monsignor Michael Padazinski***
