A Note from our Board President, Stephanie Matteo

Why choose a Catholic education at St. Cornelius? We are asked this question from others. We even ask ourselves; many of our families reside in good school districts. This is the time of year when we are thinking about next school year and where we will enroll our children. Currently, we have all chosen to pay for an education- to spend money on academics, uniforms and so forth. Yes, Catholic school costs us money. However, it also provides our children with a faith-based approach to learning, fosters relationships not only between classmates but with children in all grades, provides our students smaller class sizes for greater individualized instruction and creates connections between parents. We have teachers and staff that are truly dedicated to our school and children. The feeling that we get when we walk through those doors is a feeling of joy, love and safety. This is why we chose and continue to choose St. Cornelius School.

Catholic Schools Week

We have enjoyed a spectacular week of activities in celebration of Catholic Schools Week. Thank you for joining your St. Cornelius family at mass on Sunday. Without words, our families' presence and our children donning their uniforms demonstrated the importance of a Catholic education and how we unite together as a community.

The HSA would like to thank all who entered the CSW T-shirt design contest. The winning entries were Anna MacKenzie and Kamryn Tomlinson. Their designs are on the front and back of the T-shirts that were sent home during CSW, as a gift from the HSA. We would also like to thank all of the children that sent in entries for the contest: Evan Rumingnani, Avery Tomlinson and Grace Lucas. All entries are on display at school.
