The Home and School Association has numerous events being planned for the remainder of the school year. If you are interested in joining a committee to help organize these activities, or you are available to help at the event, we'd love to see you! Clearances must be on file.

The *Welcoming Committee* needs parent representatives from each grade to be listed as a contact for prospective and new families. A Spring Social will also be organized. If you would like to volunteer, please contact Sarah Coffey at scoffeynd@gmail.com.

Please contact Stephanie Matteo at smatteo5@gmail.com, for any of the following:

Grandparents/Special Persons Day 4/22

This new event will take place in the morning. We will have a "social" for our guests and will need extra hands to help.

End of Year Celebration for Grades 1-8

This event is held the last day of school for grades 1-8, following mass. The Planning Committee is meeting on Friday, March 6th at 1:15 in the cafeteria. Please join us to help plan.

We will need help selling *Discount Cards* in April and May. This is a huge fundraiser for St. Cornelius. Cards will be sold at all masses and at Booth's Corner on two weekends. If you attend a particular mass on a regular basis and wish to help, we would appreciate your participation, and students, with sales. Or if you are interested in covering a shift at Booth's Corner, that is appreciated as well.

The classes will be having a sales competition as well. Forms will go home in the spring. Please begin to think about who you can sell our card to. You can not only purchase one or two for your household, but you could also sell to friends, family, co-workers and teammates. The more you sell, the more is tallied for your child's class. If you have more than one child, you would submit separate order forms so it could be tallied accurately. The winning class will receive a prize!

We have some new businesses!!!

Clean Juice, Real Mexican Kitchen, Duck Donuts, Red Robin, Enzo's, Metro Diner and What a Crock

A Virtus training will be coming to St. Cornelius soon. If you still need this component completed for your clearances, stay tuned for a date.
