Please remember to continue donating during the Corona crisis, for the greater glory of God. Remember, God cannot be outdone in generosity. We need your support, as always, to be able to work through these trying times as best as we can, so that when this threat is over, we will be able to continue to be the strong parish and school community that we have become.

Ways to continue to support our church/school during this crisis:

- Mail in your donation. We are continuing to receive and process our daily mail.
- Most banks have online banking, which you might possibly be already using for utility or mortgage payments. You can set St. Gabriel up as a bill pay, setting up how much and how often you would like to donate. All you need to do this is our address which appears at the top of this letter. We will receive a bank check from your bank, on your behalf, through the U.S. Mail. There are no charges for this to either you or to the church. If you need assistance with this procedure, contact Debbie O'Brien at 412-881-8116.

We sincerely thank you. May God bless you and your family.
