

Churches re-open for Mass

As we phase into a gradual reopening we have decided to have one daily Mass in our grouping for the first couple of weeks, and one Saturday evening/Sunday Mass at each parish site, in order that we might properly follow the state and diocesan guidelines for cleaning, sanitizing and social distancing. We will evaluate how things are going week-by-week and adjust accordingly. Let us pray for one another as we safely, and joyfully, come back together for worship!

Thanks, Fr. John
