+++++ FROM THE PASTOR +++++

My Dear Parish Family, With sincere gratitude, I thank each of you for your kind and caring expressions of love to me last Sunday, the Sunday of the Priesthood. The creative cards from the children in Religious Education and your personal cards were all special and their message very touching. The numerous refreshments were delicious and heartwarming, as well. Thank you for recognizing this day and for making me feel special. You are a treasure!
Father Germán

All Saints' Day is a holy day of obligation and recognized as one of the most important feasts on the liturgical calendar. Most of us realize that Halloween is in reality the vigil of All Saints' ("Allhallows Eve" or "Hallow E'en"), but All Saints' Day itself has become a bit of an afterthought. It shouldn't be this way! The saints are our friends, our intercessors, our brothers and sisters in Christ. They care deeply for us, and their lives are recognized by the church as exemplary, as models to follow. So how can we celebrate this wonderful feast of All Saints' Day? The most obvious is: Go to Mass! It is a holy day of obligation, and there is no more appropriate way to commemorate the saintly lives of those who have gone before us than the eucharistic sacrifice.
