Learning Targets

READING - Asking questions about the text, formulating answers, and understanding that we can always go back to the text to find the answers.

WORD WORK - Decoding /ch/, /sh/, and /th/ words.

WRITING - Learning how to write and answer questions as a good writing strategy.

MATH - Subtraction! Learning how to hop backwards on number path to solve subtraction problems, associating addition and subtraction sentences, and enjoying some spooky math centers!

RELIGION - Family Life - God gave me the gift of myself. I have special gifts that are unique to me. I can share these gifts with others! God gave me the gift of learning! I can learn through my five senses!

SOCIAL STUDIES - Our focus for social studies this week is Rules vs. Laws: Who makes them, why they are important, and what makes up a community!

Volunteer Opportunities
