

2nd GRAdE

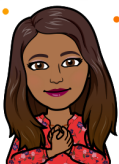

WEEK OF NOVEMBER 18TH

If you were at family Mass today and your child was in school uniform, don't forget they get free dress tomorrow. We will be doing a fun STREAM activity at the end of the week that will support what we are learning in Social Studies. The students will be making their own Mayflower boats to see how many people (or marbles) can get on the boat before it sinks. Did you know there was 132 people on the Mayflower?

Thank you for all the donations for the St. Vincent de Paul Thanksgiving food drive. You will touch many hearts and make Thanksgiving less worrisome for many families. I hope you all have a wonderful Thanksgiving with your family. May you enjoy time being together and thankful for the many blessings God has given us.

GRATEFUL

In the spirit of Thanksgiving, I am thankful for all your support with your children. I am thankful for your kids, who keep me on my toes and light up when they grasp a new concept. They make my job all worthwhile. I am thankful for my own family who support me in what I love to do, teach.

Next week, report cards will go home. Enjoy your Thanksgiving!

Remember

- November 26th- Report Cards go home
- November 27th- 29th Thanksgiving Break
- December 8th- Family Mass @ 9:30am
- December 17th- Christmas Concert

Language Arts/Reading: We are working on the -ow and -oy sound. Our writing assignment will be explanatory and making sure it is sequential.

Math: The students will be taking a test on Chapter 3. Then we will start working on two digit addition

Religion: We will be finish the sacrament of Baptism and then focus on the sacrament of Confirmation

Social Studies: The students will be learning about the changes for American Indians and in America. Then we will be creating Mayflower boats.

Science: We will be continuing on animals and their different classifications. Then students will be picking an animal and start doing research on that animal.
