Week of Sept. 9, 2019

Third Grade News

**Back to School Night Revisited:** I am planning a Back to School night on Tuesday, Sept. 17 @ 5:30. I am scheduling it at 5:30 so you can leave your child in Eagles Nest while we have our 20 minute meeting. Please email me and let me know if this is a good day and time for you. Thanks!

**P.E.:** Just a reminder that P.E. is on Tuesdays and Fridays.

**Homework:** Students fill out homework agendas to remind them what they have for homework. Homework will also be on the third grade website that you can view.

Please remember to email me AND Michelle Webster at the office if your child will be absent for any reason.

---

**Friday, Sept. 20** - No School - Student Holiday

**Friday, Sept. 27** - 12:15 Dismissal

**Monday, Sept. 30** - Picture retakes
Peek to our learning this week:

**Phonics:** Our spelling words for this week will focus on words with the consonant sounds: /j/ and /s/. For grammar this week, we will focus on *adjectives.*

**ELA:** We will learn skills on how to write a paragraph. Students will learn that writing is more than just organizing their ideas and editing conventions. They will learn that by reading, they are building their knowledge to use in their writing.

**Math:** This week we will learn how to use place value to add and subtract 3-digit numbers.

**Religion:** Jesus Teaches Us About God’s Love. Matthew 6:26-33; Luke 17:5-6, 23:33-34, 24:1-12; Mark 4:35-41

**Science:** Students will learn how we can infer what the outside of an animal looked like, by using clues about their skeleton.

**Social Studies:** Students will discover the four regions of California and will identify geographical features in their local region (e.g., deserts, mountains, valleys, hills, coastal areas, oceans and lakes). Students will trace their community over time and learn about the American hero, John Muir.
