

2nd GRade

WEEK OF FEBRUARY 10TH

Thank you for coming to the Sacrament Parent Meeting. If you have any questions please don't hesitate to contact me.

Valentine's Day is Friday and it is a red, pink and white free dress day. Please make sure your child has a Valentine for every student, which is a total of 13 valentines (sorry for the misprint last week). Your child just needs to put their name in the From: section and can leave the To: section blank to make handing it out easier. We will be handing out valentines before we leave for the day.

The auction is coming up and I look forward to seeing you there. I have donated spots to come with me to the Peter Rabbit 2 on April 8th in the afternoon since it is a half day of school. I won't know the exact time of the movie until it gets closer to the date and I will email all participants that signed up the week before the outing.

Language Arts/Reading: We have finished book 1 of SuperKids and will be starting book 2. The students should have brought their first workbook home on Friday.

Math: The students will be working on problem solving to determine if they need to subtract two digit numbers.

Religion: The students will be looking at the sacrament of Reconciliation and the steps that they will be taking in the sacrament.

Social Studies: We will be starting on our government and presidents, which is a perfect month with Presidents' Day. We will be discussing the role of the president and discussing if they would want to be president.

Science: We will be looking at other ways the Earth can change, both slowly and rapidly. Then students will share their knowledge by creating a book.
