## WEEK OF FEBRUARY 17TH

Hope you are enjoying the President's Day Holiday. Last week we started a new unit on laws and our government. We discussed the the role of the president and his different tasks. The students' shared their opinion on if they would or wouldn't want to be the president. Come stop by the outside bulletin board to read your child's opinion.

Thank you to our room mom for a wonderful Valentine's party. The students made their bags, worked on an activity book, and had delicious snacks. The day before we did some valentine math graphing and measuring with candy hearts.

Our first Reconciliation is coming quickly on Monday, March 2nd after the 8:30am Mass. We have been practicing the Act of Contrition in class, but hopefully your child has been practicing at home too. The students will need to have this prayer memorized by Wednesday, February 26th.
