Weekly Update
Week of 2/3

What’s Going on?

**ELA** - This week we will be focusing on grammar. We will also be continuing book, *The Boy Who Invented TV*. This is one of our informational texts this year. There will also be a test on Wordly Wise on Wednesday this week.

**Math** - We will be continuing chapter six, adding and subtracting fractions. After last week’s introduction, I plan on heavily utilizing stations this week as it seems everyone is learning this concept at different rates. This will give me an opportunity to work with everyone at their level of understanding- both reviewing 4th grade concepts and also challenging those who need it. Please continue to work on math facts at home.

A Quick Note

Wordly Wise Test on Wednesday.

Religion quiz on Friday based on notes and lessons.

Our class is leading Mass on Ash Wednesday this year. We will be preparing for this as we lead up to the 26th.

Our 5th Grade Service-Learning Project involves being experts at recycling and composting! We will be rotating each week between the students to commit to help the school during lunch.
