

# 2nd GRADE

## WEEK OF MARCH 2ND

*Cheers*

It was great to see many of you at the Wine Auction Gala. I enjoyed spending time with you away from the school. The evening was filled with fun and excitement as we raise money for our school. I will be in contact with anyone who signed up for my teacher treat at the end of March. If you were unable to attend, you can still have your child come with me to the movies. An email from the school should be coming out and you can sign up your child at that time in the office.

The class is both excited and nervous to receive their First Reconciliation tomorrow. If you have time tonight or in the morning, spend time with your child going over the steps to help them calm their worries. I am confident that all will do just fine. They will feel so much better about themselves after it is over. Then we will start preparing for Communion.

Also, this month the 2nd grade class is in charge of the school Mass on March 26th at 10:30am. If you are free, please come support and join us at Mass. Reading parts should be going home next week.

dates  
to  
Remember

- Friday, March 6th- Last Day of Trimester 2
- Thursday, March 12th- Report Cards go home
- Thursday, March 12th- Field Trip to Natural History Museum
- Friday, March 13th- No School for students- Staff Work Day
- Monday, March 16th- School Holiday
- Friday, March 20th- Shamrock Bingo

**Language Arts/Reading:** We are going to finish reading Flat Stanley and are going to start writing our own Flat chapter book. We will also be doing other activities with this book as well.

**Math:** The students are finishing up 3 digit addition and will start on subtraction at the end of the week.

**Religion:** The students will be looking at the Stations of the Cross for Lent and then look at the Last Supper to start to get ready for the Sacrament of Communion.

**Social Studies:** We finished our president reports this past week and will be looking at American Patriots.

**Science:** We will be making a fossil imprint and start to discuss the different theories on how the dinosaurs became extinct.
