

Healthy, Safety & Facilities Protocols for 2020 - 2021 School Year

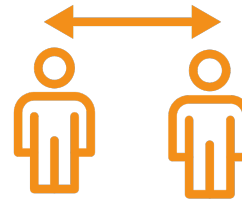

- Systematic protocols to keep students, families, faculty/staff and the surrounding community physically and emotionally safe and healthy.
- Essential actions in alignment with CDC guidelines, mandates from state/local health officials & Diocese of Oakland protocols.

Personal Protective Equipment (PPE)

- Wearing mask successfully mitigates spread of COVID-19
- All persons on school grounds required to wear masks.

Physical Distancing

- Employees, students, parents, and visitors stay approximately 4 to 6 ft away from others and eliminate physical contact whenever feasible
- Classroom supplies are stored and organized for individual use

Health Screenings

- Students/staff temperatures may be taken at the start of the day.
- Those with 100+F temperatures or those experiencing other symptoms (cough or shortness of breath without any other explanation) must stay home

Hygiene

- Hand-washing recesses will be integrated into the schedule throughout the day
- Hand sanitizing products are readily available in high traffic areas and all classrooms.

Mitigating COVID-19 Spread

Maintenance

- All school buildings are cleaned in the evening.
- Throughout the school day, regular sanitizing of high-touch areas (stair handrails, door handles, counters, desks, tables, chairs, lavatories, computers, play structure, etc.) will occur multiple times.

School Access

- Drop-off and Pick-up protocol to be used
- Physical Distancing protocols implemented
- Parents/visitor access extremely limited and all must follow established protocols (PPE, Health Screenings, Physical Distancing, etc.)

Facilities

- Taped lines mark traffic flow/social distancing requirements (classroom, shared spaces, etc.)
- Daily cleaning/sanitizing recorded
- Infection control signage posted throughout the facility (i.e. cough/sneeze etiquette, handwashing, facemasks, social distancing, etc.)
- Protocol for possible Covid-19 exposure in place with Isolation Room set-up.

Timeline to Re-Opening Buildings for the 2020 - 2021 School Year

The cleaning products, hand sanitizer, and hand soap are organic and hospital-grade.
