# Religious Education

## Religious Education Has Begun

If you have not signed your child up for Sunday School or Youth Group, please do so as soon as possible. Children should be receiving Religious Education from the age of 5 to 18.

*“Education in the faith by the parents should begin in the child’s earliest years. This happens when family members help one another to grow in faith by the witness of a Christian life in keeping with the Gospel. Parents have the mission of teaching their children to pray and to discover their vocation as children of God. The parish is the Eucharistic community and the heart of the liturgical life of Christian families; it is a privileged place for the catechesis of children and parents.” (CCC 2226)*

**Remember what was asked of you when you asked for your child to be Baptized.**

“You have asked to have your child baptized. In doing so you are accepting the responsibility of training them in the practice of the faith. It will be your duty to bring them up to keep God’s commandments as Christ taught us, by loving God and our neighbor. Do you clearly understand what you are undertaking?”
