IMMACULATE CONCEPTION SCHOOL

ICS Art Club 2018-2019

From developing important motor skills to growing in confidence, art can have an amazing mental, academic, social, and emotional impact on children. In our studio workshop, students will develop their artistic skills by engaging in the creative process from planning to creation. Artists meet weekly in the Art Studio to create both individual and collaborative art projects.

Schedule will be posted on ICS Website, as well as outside my classroom for students to view. Please be sure your child has a ride home promptly at 4:15 pm or is registered in our afterschool program.

I am looking forward to a successful art club!
