

The Charger Chronicles

Immaculate Conception School Parent Newsletter

February 9, 2021 • Volume 11 Issue 6

From the Principal

Dear Parents,

It is hard to believe that it is already February! The month in which we begin planning for next year with returning and new student registration, while remaining focused on this school year and all we still need to accomplish to finish strong. If you have not yet turned in your re-registration, please do so ASAP. In order to plan for next year and sign faculty contracts, we need to have the most accurate numbers. Next week we will begin contacting families who have not returned re-registration.

As we continue with New Student Registration this week, please help us to continue to spread the good news about ICS to your family, neighbors, friends and colleagues. Please direct them to check out our website www.icschargers.org and Facebook page (Immaculate Conception School). We ask you to please like our Facebook page and share the posts that you like best. We will continue with tours for prospective families throughout the spring.

We know that, for many, this year has been a financial struggle. The Archdiocese of New Orleans has a few financial assistance opportunities. If you think that you may be eligible for assistance, you may submit your application through the First Bank and Trust portal that will be posted on

www.nolacatholicsschools.org at the appropriate time:

Champions of Catholic Education- March 1st-14th
Aspiring Scholars (returning applicants) March 15th-31st

Aspiring Scholars (new applicants) April 1st-10th

As always if you have any questions, concerns, or suggestions, please contact me at k.dimarco@icschargers.org I hope you and your family have a restful and enjoyable Mardi Gras break.

In Christ,

Kim DiMarco

#JAKESTRONG

Let us come together as a Charger family in prayer and support for Jake Meerman. Jake is the son of ICS Alum Michelle Labruzzo Meerman and younger brother of ICS kindergarten students, Emma and Ellie. On January 23, 2021 Jake was diagnosed with B Lymphoblastic Leukemia. Please visit the GoFundMe page if you would like to help the family financially as they navigate Jake's treatment.
