

Immaculate Conception School

August 12, 2021

Dear Charger Family,

It's time for the ICS "WHO DAT" Back to School Raffle. The raffle has generated over \$130,000 for our school in the last four years. ICS has once again been graciously gifted 4 tickets in a private suite to a New Orleans Saints game as the grand prize. In the event fans are not allowed to attend the game in the dome, the grand prize winner will receive a cash prize of \$1,000.

The ICS "WHO DAT" Back to School Raffle is a calendar raffle with a cash prize for each day from October 1 through October 31. Cash prizes range from \$25.00 to \$200.00. Drawings will be held on October 7, 14, 21 and 28, 2021 at Immaculate Conception School during morning assembly. Drawn tickets go back into the drawing weekly, so ticket holders have multiple chances to win!

For the 2021-2022 school year, every student is being sent home a book of tickets to sell. We are asking that each family sell at least one book/10 raffle tickets and more if you are able. The donation is \$10.00 for each ticket (\$100 for the entire book). *If you have multiple children at ICS and can only sell one book or are unable to participate, please return tickets to the main office to be redistributed.*

As a special thank you for selling raffle tickets, for each 10 tickets sold you will receive a special ICS/Saints t-shirt. Students may wear the t-shirt on designated days throughout the football season. In addition, we have additional prizes and incentives for participating in the raffle. New this year is the opportunity for students to earn dress down passes for turning in your tickets early. See the accompanying flyer for all incentives.

Please use the Ticket Turn-In form when sending ticket monies and stubs to school. Additional tickets can be requested through your child's homeroom teacher or by calling the main office. All questions concerning the raffle should be directed to Mrs. Silvana Collins by email at s.collins@icschargers.org or by calling her at school at 504-347-4409 ext. 2609.

Blessings,

Mrs. Kim DiMarco
Principal
