

Stewardship of Talent

Stewardship is receiving God's gifts gratefully, cherishing and tending them in a responsible manner, sharing them in justice and love with others, and returning them with increase to the Lord.

As an individual or as a family, please prayerfully consider sharing your talent in one of the areas below. Completing the form does not commit you to a ministry but shows that you are interested. Someone from the area of ministry you selected will contact you and explain the ministry you are interested in. Together you will decide if that ministry is a good fit for you. If you are already volunteering for a ministry, please complete the form and mark the ministries you are currently volunteering for along with other ministries you are interested in. Note "1st Member Name" corresponds with "1st M" below and would check areas of interest only in that column.
