CHARITABLE GIVING
The 2018-2019 school year is in the books. What an incredible year for all of us in the St. Teresa Community. This issue of the Bulldog Biz will highlight the many accomplishments of our students during the last school year. St. Teresa students excelled in all areas of academics, athletics, and most importantly in our service to God and our wonderful community.

I am looking forward to this upcoming year. We are above our projected enrollment. The Invest in Kids Tax Credit Scholarship Program certainly helped our enrollment and I would like to thank everyone who donated and will continue to donate to this wonderful program.

The upcoming school year will debut many improvements in our classrooms that will enhance student learning. Technology updates include new interactive digital projectors, document cameras, new computers and monitors in both the library and computer lab. We have enhanced our music department by adding a new piano lab, which includes twelve new electronic keyboards with headsets. A majority of these updates were achieved through grants, which helps our bottom line.

As we move through this new school year we thank God for all that we have been given. We pray that St. Teresa will see continued success this school year and for many more to follow.

Thank you to all of the faithful supporters of St. Teresa High School. Your generosity is greatly appreciated. Without this support St. Teresa would not be able to carry out our faith mission. We are a community of faith blessed by God.

Sincerely,

Mr. Larry Daly
Principal

The St. Teresa Drama Department sponsored a trip to New York City to see the “bright lights” and a few shows too! “New York is very fast pace. I learned that this city truly doesn’t wait for anyone. Through it all, I enjoyed how elaborate the shows are with moving floors, tap dancing on the ceiling, and a gorilla as big as a stage.” said senior Brett Sharp. St Teresa students made the most of their recent trip to NYC with stops at the quintessential landmarks: Empire State Building, Rockefeller Center, Radio City Music Hall, Central Park, Metropolitan Museum of Art, Ellis Island and the Statue of Liberty as well as the 9/11 Memorial Museum.

Of course no theatre trip would be complete without a Broadway show or two. The students were treated to a backstage visit with the stars of Kiss Me Kate: Kelli O’Hara and Corbin Bleu. They also participated in a workshop with cast members from Phantom of the Opera and enjoyed the productions of Be More Chill and King Kong.

“I really enjoyed learning and experiencing New York City. This left a huge mark on my high school experience and my life. I loved meeting new people and getting a taste in the New York life style. I will definitely remember this trip for the rest of my life.” Morgan Brummer class of 2021
ALUMNUS OF THE YEAR

It is with great honor that St. Teresa High School announces the inaugural Alumnus of the Year Award winner to Class of 1955 Alumnus, John E. “Jack” McCoy.

Jack, nominated by Patricia Jones and a number of his other classmates, wrote in his nomination, “We are very proud to call Jack our friend, our classmate, and an inspiration to many. We want to see him receive this award in recognition of his generosity and volunteerism, both directly at St. Teresa and the many other organizations that he supports.”

Jack, and his wife Barbara, have generously supported St. Teresa in many ways including establishing student scholarships for Catholic students at St. Teresa, naming the football field, gymnasium & gymnasium court to name a few.

Please help us congratulate Jack McCoy for this wonderful honor and plan to join us at Homecoming when we’ll officially recognize Jack.

The St. Teresa Annual Fund is a critical component of providing a St. Teresa education. By hitting this year’s goal of $200,000, St. Teresa is able to:

- Maintain competitive tuition rates, well below what it actually costs to educate a student,
- Continually improve upon excellent offerings both in academics and extracurriculars,
- And ensure students are educated in a faith-based environment.

Please consider contributing to this year’s Annual Fund!
