Dear Fr. Gilmore,

On behalf of St. Pius X Catholic Church in Mountlake Terrace and all those who look forward to Mercy House becoming a permanent service provider in South Snohomish County, I am writing to thank you for the most generous gift from Holy Rosary Parish. The \$175,000 gift toward construction of Mercy House is a major financial contribution as we move forward with plans to build the new structure in the near future. More importantly, the gift from the parishioners at Holy Rosary demonstrates the wonderful support they are offering as a partner with St. Pius in making Mercy House a reality. As Catholics in the Seattle Archdiocese, we are called to offer assistance to all who search for help. Together, Holy Rosary Parish and St. Pius X Parish will offer a beacon of hope in South Snohomish County through Mercy House. Your gift is invaluable in helping us make Mercy House a reality.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cal Christiansen'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
