Marriage Moments by Susan Vogt, www.Susanvogt.net

"Love one another as I have loved you." (John 13:34) It's simple. It's basic. It's hard. Spend 5 minutes today sharing how Jesus loved his followers (healing, feeding, teaching, dying...) and how it translates to your marriage.

Parenting Pointers: Does your child worry? Even if they don't, spending some time being quiet, reading, listening to calm music, taking a walk alone or with you, can revive their spirit. Good for parents too.

Word of Life: Patients need to be able to trust their doctors to always care for their lives and never deliberately cause death...Patients facing serious illness may feel hopeless and depressed, as though their lives have lost meaning.

Addressing psychological, emotional, and spiritual problems is essential to palliative care. Assisted suicide alleviates none of these problems, but gives in to them.

*Congratulations to
Our First Holy Communicants!
May you continue to live in God's
love now and for always.*

which will be
given for you, do
this in memory of
Me." Luke 22:19**
