We may also choose to send Christmas, Easter, Feast Day Cards, etc. Some priests are better than others at writing back to the adoptive Parish. From Catechism: Integrity of the Person #2342  
Self-mastery is a long and exacting work. One can never consider it acquired once and for all. It presupposes renewed effort at all stages of life. The effort required can be more intense in certain periods, such as when the personality is being formed during childhood and adolescence.

The Bishop asks that all parishes publish the following notice in their parish bulletins at least once during the upcoming month of **January**:
