

JOB DESCRIPTION FOR MATH & 7TH GRADE TEACHER AT ST. PHILIP'S SCHOOL

St. Philip's School, located in the heart of the Noe Valley in San Francisco, is a K-8 Catholic School whose focus is faith, academics, enrichment, and community. Dedicated to educating its students for lives of hope, joy, and purpose, the school's environment is designed to promote student success and a lifelong love of learning. The dedicated faculty and staff strive to encourage students to reach their fullest potential – academically, spiritually, and socially – as they work to meet the needs of the whole child. The school opened in 1938 and has continued to enjoy a strong connection to the neighborhood. Its tradition of service, rooted in the Gospel values, allows students to see their faith in action. The school prides itself on its strong sense of community, and faculty, staff, and parents work closely with administration to nurture this important partnership.
