

Diocese of Honolulu Evangelization Taskforce

For a while now, Bishop Larry Silva has expressed his desire that a new ministry on Evangelization be established in the Diocese of Honolulu. On July 2019, Bishop Larry Silva approached Dominic Olaso to serve as the Director of the Diocese of Honolulu Evangelization Taskforce. This new Diocesan ministry will find new and innovative ways to reach out to the fallen-away Catholics and to teach parishioners to become effective evangelizers to those who have not heard the Good News of the Gospel.

Selected ministries were invited to become part of the Taskforce that will contribute to the various ways and means of bringing in people to the Catholic Faith. Among the invited ministries, the Eucharistic Apostles of the Divine Mercy answered the call to become part of this new ministry due to its main goal of spreading the Love of Jesus Christ to many who are hurting and in need of God's Mercy. Jesus told St. Faustina, the Apostle and Secretary of Divine Mercy ***"Tell the world about My Mercy and My Love."*** Diary 1064.

“Tell the
world about
My Mercy
and
My Love.”

Diary 1064

Jesus' words given to St. Faustina are for all of us and for our current times. Many people do not know that God loves them and desires the salvation of their souls. How do we tell the world starting with our families and communities about God's Mercy and Love?

On September 28, the Taskforce held its first formal meeting at St. Stephen Church with Bishop Larry Silva explaining the purpose of the new ministry. Representatives of various ministries which included those from Kauai, Molokai and Big Island who flew in for the meeting, shared the goals and missions of the ministries they are involved with. A Holy Mass was celebrated by Bishop Silva to bless and send-off the members of this taskforce to go out and preach the Gospel to those who have fallen-away, the lukewarm and to those who have not yet heard the Gospel.

Some members of the Evangelization Taskforce take time to pose for a photo with Bishop Larry Silva.
