**Offertory Report
For Sunday, September 15**

Last week the offertory for improvements, the second collection, was \$209. For building fund it was \$391, split almost evenly between envelopes and online donations. The general offertory was \$3,356. This was significantly below the target of \$4,989 and pushed us to being \$444 behind our target for the month of September. This is the first time we've been behind since the fiscal year started in July.
