The LORD is my shepherd; I shall not want.

— *Psalms 23:1*

## LIGHT

“Awake, O sleeper, and arise from the dead, and Christ will give you light” (Ephesians 5:14). We are at the midpoint of our Lenten journey of conversion. As always, God never gives up on us, especially those who have “fallen asleep” along the road to conversion. The most powerful stories of conversion are proclaimed during these final weeks of Lent. They have the power to shake us out of our sleep. Today’s Gospel story of the healing of the man born blind exposes the real blindness in the time of Christ—the blindness of the self-righteous religious leaders. In a few weeks, at the Easter Vigil, the Church will proclaim “Christ our Light” as the paschal candle is carried into darkened churches throughout the world. May the darkness of sin that still pervades our lives, communities, and world, be dispelled by the Christ who comes to bring sight to the blind and light to the world.

## **PRAYER FOR PROTECTION FROM CORONAVIRUS**

Let us pray.

Loving and faithful God, the coronavirus reminds us that we have no power and we are dependent on you. We place ourselves in your loving hands. Give eternal rest to all who have died from the virus. Place your healing hand on those who are ill, and give your protection to us in this time of fear and uncertainty. Calm our fears and help us to trust you as our faithful God. Enlighten our government and Church leaders as they are faced with important decisions. Give blessing to those in health care and protect them.

We ask this through Christ our Lord.

Our Lady of Prompt Succor, hasten to help us.

Blessed Francis Seelos, pray for us. (His life was taken while caring for the sick in the yellow fever epidemic.)

### **SAINT TURIBIUS OF MOGROVEJO (1538-1606) March 23**

In times of crisis, God always surprises the Church with unlikely saints, through whom Christ's light radiates beyond their local communities to illumine the universal Church. Charles Borromeo was such a saint: appointed Archbishop of Milan at twenty-one by his papal uncle, epitomizing the corruption that the reformers condemned, Charles instead inspired a revival that reinvigorated a Church devastated by the Reformation. His less well-known contemporary, Turibius of Mongrovejo, was God's "saintly surprise" in the New World. Spanish-born lawyer, professor, head of the feared Inquisition, Turibius was still a layman when a grateful king appointed him Archbishop of far-off Lima. Once in Peru, however, Turibius was appalled at the abuse of indigenous peoples by the occupying *conquistadores*—his fellow countrymen—and by the complicity of the clergy. He became the natives' devoted advocate, building churches, schools, hospitals, and the first seminary in the Americas, publishing catechisms and prayerbooks in the native languages he painstakingly mastered. Four hundred years later, whenever Pope Benedict welcomed Latin American bishops to Rome, he always invoked "the shining example of San Toribio."
