

A photograph of the St. James Catholic Church building. The building is a two-story structure with a brick facade and a large, arched entrance. In the foreground, there is a large, stylized sign that says "Thank You" in orange, slanted letters. The sign is supported by several vertical posts. The church's name, "St. JAMES CATHOLIC CHURCH", is visible on the building's facade. A street sign with the number "1920" is also visible on the left side of the building.

**Thank You**

**I thank my God every time I remember you.  
Philippians 1:3.**

**Thank you St. James Parishioners for your generosity. Even in these difficult times you have not forgotten your parish. You bring me a lot of joy with your strong faith, generosity and financial support. Your contributions to CSA, our land debt and weekly contribution is really appreciated. I miss you all. I think of you and pray for you. May the good God grant you all the blessings and good health.**

**Your brother in Christ**
