TWENTY-NINTH SUNDAY IN ORDINARY TIME TOO MUCH INFORMATION!

There is a common expression: "Too much information!" We usually use it when people tell us details about their lives that we don't want or need to know. Today, when James and John ask Jesus a simple question, making their request for places of honor in the kingdom, a simple answer might have been in order. Instead, as he often does, Jesus answers a question with a question; today it's about drinking the cup of suffering. Then, once the others are indignant over James and John's outrageous request, he proceeds to give them what may have been "too much information" for followers who were simply interested in the pursuit of glory. But this information, though it can sometimes seem "too much" for us, is essential for our lives as disciples. In Isaiah, in Hebrews, and in Mark today, we learn this information. It is in suffering, in weakness, in self-giving service to others, that we come to understand the kingdom. It is the information we need to find our place and come to be honored in the reign of God.

RESPECT LIFE—BABY BOTTLE CAMPAIGN

October is Respect Life Month.

Please pick up some information at the display in the Church vestibule on the Church's position on issues such as human trafficking, the death penalty, end of life considerations, abortion and many other topics. By participating in this weekend's Baby Bottle Campaign, you can become an active part of saving lives in our community. Private donations support the **Woman's New Life Center**. If you are able to donate, it will be most appreciated.

All donations are welcomed and tax deductible.

The Woman's New Life Center's mission is to promote the sanctity of life, the dignity of women, and the sacredness of sexuality through medical and mental health services. Since 2001, they have saved over 2,050 lives from abortion. It offers free professional counseling, pregnancy tests, ultrasounds, and post-abortion counseling, pregnancy loss counseling, as well as natural family planning instruction, and full-service healthcare through **Hope Woman's Clinic**.

For additional information, please contact Mary Dee Brinkman,
OLR Respect Life Coordinator, at 669-9525.
