## FIRST SUNDAY IN LENT STRENGTH AGAINST TEMPTATION

The first Sunday of the season of Lent always includes a Gospel account of the temptation of the Lord Jesus in the desert by the devil. This year, the story is set against the backdrop of the first reading from Genesis, which recounts the very first temptation by the devil. That story is set in a garden of delight. The Gospel story is set in the desert. As believers, we know that temptation comes our way in our own gardens of delight as well as the deserts of our lives. As Lent begins, our attention is drawn to that temptation within each of us to become like God—we want control, power, and answers to all of life's difficult questions. As communities of faith, we are given this season of repentance so that we can join our hearts with others on the difficult journey of conversion. We look to God and to one another for strength against temptation.

**The guidelines for Catholics on fasting and abstinence are as follows:**

**Fasting** is to be observed on Ash Wednesday and Good Friday by all Catholics who are 18 years of age but not yet 59. Those who are bound to fast may take only one full meal. Two smaller meals are permitted if necessary to maintain strength according to each one's needs, but eating solid foods between meals is not permitted. **Abstinence** from meat is to be observed by all Catholics 14 years or older on Ash Wednesday, Good Friday and on all Fridays of Lent.

*The determination of certain days as obligatory days of penance should not be understood as limiting the occasions for Christian penance.*
