## Solemnity of the Most Holy Body and Blood of Christ

Among the compelling Eucharistic themes proclaimed in today's readings is the notion of "participation" as found in Saint Paul's letter to the Corinthians, or in other words, putting the Eucharist into action. Good stewards are part of a Eucharistic family that loves, welcomes and serves. An important part of living as a steward comes about in the many ways we can participate in the life of the Church. No matter how much time we have to give, no matter what our skills or interests, no matter what our level of commitment, there is a way to participate as a good steward to enrich our lives and the lives of others to build up the Body of Christ. During this time when people are anxious and fearful, what are we doing to welcome others, and to love and be of service to them.
