Re-instating the Dispensation from the Obligation to Attend Sunday Mass

On Monday, October 5, Bishop Ricken reinstated the dispensation from the obligation to attend Sunday Mass in the diocese until further notice. Even with the reinstatement, we will continue to celebrate the Mass publically every weekend for those who are able to attend and willing to strictly follow the proper health protocols. During this time of increased infection, our parish will to be even more vigilant in observing the health protocols shared in the diocesan guidelines to prevent the spread of disease and allow as many people as is safe to come to Mass without fear of infection. The wearing of masks is mandatory at Masses celebrated throughout our diocese. Thank you for your support and compliance as we as a community of faith come together to worship in safety.

RIGHT TO LIFE

PREEMINENT PRIORITY By Bp. David L. Ricken Sept 30, 2020

Last November, the U.S. Conference of Catholic Bishops

voted to make the right to life the 'preeminent priority' of the Catholic Church in the United States. Why would the conference want to make the protection of life such a high level value? One answer is this: 65 million. Sixty-five million innocent lives have been taken in the womb since 1973, when the Roe v. Wade decision in the Supreme Court

sanctioned and legalized abortion.

◆ The most fundamental, foundational human right is the right to be born and the right to live. Without this right, no other right applies. There are some signs of hope. The younger generations, who are more and more aware of the science behind the aggressive action against life in the womb, clearly see that life in the womb is not just fetal tissue, but is a little girl or a little boy. Little children who see the ultrasound pictures of a tiny baby in the womb recognize what they are seeing. When asked, 'What is this a picture of,' they respond, 'It's a baby.' This new generation of young people claims for themselves, 'We are the pro-life generation.' I hope and pray for these young people, who gather by the tens of thousands in Washington, D.C., every year for the March for Life, to have more and more courage and conviction to insist on change. May this movement grow and may the voices of these young people resonate and reverberate for a robust change of opinion and action in this country. Also, there is a fairly new movement of women who have had abortions and want to do something positive with a decision they made in the confusing fog of an unplanned pregnancy. They have decided to channel their regret and the gift of mercy from God to helping young women to make a choice for their child to live. What a wonderful way to help young women to find a different path for the gift of life!

◆ Unfortunately, there has been little taking of responsibility by the fathers of these children. Labeling this challenge as a 'women's health issue' has been sometimes an excuse not to even tell the father or a complete shunning of responsibility by the father of the child. The movie, 'Unplanned' has brought a new awareness of the evils and the lies of the abortion industry. Thank God for the courage of Abby Johnson to tell her story. The best solution would be if families would educate their children to save themselves for the safety and sanctity of marriage and not to engage in sexual activity before the protection of a marital commitment and a covenant with God through the sacrament of marriage. This would reduce the number of young women faced with the temptation to seek a simple but fatal solution, by having an abortion. [To Be Cont'd]

A Novena to Mary

St. Mary's Christian Women are inviting everyone, men and women, to join in praying a Novena to Mary every Tuesday & Thursday after Mass in October. A leader and written handouts will guide you through the process.

There is also an option to complete at home. Handouts will be available at church on September 25th. The power of prayer has been seen in novena, especially in a communal setting. Special intentions and prayerful requests have been answered through novena. For questions or offers to be a leader call Mary Deltgen 920-419-4746.

Religious Education Classes

Due to the recent increase of cases in our counties we have chosen to postpone our in-person Religious Education classes for the start of the 2020-2021 year. Hopefully in January we can re-evaluate the situation and return to a more normal year. In the mean time we will be sending home a little Jesus! To help strengthen, nourish, heal and empower your families in these different times. Please read the Sunday Gospel as a family. There are extra activities for the students to guide them in living healthy and holy lives! This year will be different, but the parents are the primary religious educators of their children, strive to be models of moral living, constant faith, and forgiveness.

Reminder MinisTree Program

If you bring in food for the food pantry, or come in to clean the sacristy, etc. please fill out a MinisTree card (found on the bulletin board in the back corner of the church). The first time you fill out a card please fill in all of the info requested (name, address, phone, age). After that just fill in your name and the activity (if that is not already indicated on the card). Put your completed card in the manila envelope that is on the board. Each completed card will earn \$5 for the Religious Education Program.

Good-Bye & God Bless You!

It's that time of year again when our snowbirds head out for the winter. Your time, talents, and treasures are very much appreciated through your stay. Have a blessed journey. Please Stay Safe & Healthy!

Removal of Cemetery Items

It's that time of year to clean up the cemetery. Please remove any items on the graves by November 1st. We appreciate your cooperation to make this happen. Thank you!
