Welcome!

This weekend we celebrate The Most Holy Trinity, the Solemnity celebrated on the Sunday after Pentecost. It commemorates the most important belief of our faith: we believe in one God who is three divine persons: the Father, the Son, and the Holy Spirit. Pope John XXII made this a feast of the entire church in 1334.

Dear Parishioners and Friends of St. Mary's of the Lake:

[Below is Pope Francis' Reflections at the Angelus on the Holy Trinity 2018]:

Today, the Sunday after Pentecost, we celebrate the **SOLEMNITY OF THE MOST HOLY TRINITY** -- a celebration for contemplating and lauding the mystery of the God of Jesus Christ, who is one in the communion of three Persons: the **Father, the Son** and the **Holy Spirit**. To celebrate with ever new

wonder God-Love, who freely offers us his life and asks us to spread it throughout the world.

◆ Today's Bible readings help us understand that God wishes to show us not so much that he exists but rather that he is the 'God with us', close to us, who loves us, who walks with us, is interested in our personal life story and takes care of each one, beginning with the least and the neediest. He 'is God in heaven above' but also 'on the earth beneath' (cf. Dt 4:39). Therefore, we do not believe in a distant entity, no! In an indifferent entity, no! But, on the contrary, **in the Love who created the universe and who engendered a people, became flesh, died and rose for us and, as the Holy Spirit, transforms and leads everything to fulfilment.**

◆ Saint Paul (cf. Rom 8:14-17), who experienced first hand this transformation brought about by God-Love, tells us of **God's desire to be called Father, indeed, 'Dad'** — God is 'Our Father' —, with the total confidence of a child who abandons himself in the arms of the one who gave him life. Acting in us — the Apostle again recalls — **the Holy Spirit** ensures that **Jesus Christ** is not reduced to a character of the past, no, but that we feel he is near, our contemporary, and feel the joy of being children loved by God. Lastly, in the Gospel, the Risen Lord promises to remain with us forever. And thanks precisely to his presence and to the power of his Spirit we can serenely carry out the mission that he entrusts to us. What is the mission? *To proclaim to all and witness to his Gospel and thereby expand our communion with him and the joy that comes from it.* God, walking with us, fills us with joy and in a way, joy is a Christian's first language.

◆ Thus, the Feast of the **Most Holy Trinity** leads us to contemplate the mystery of God who unceasingly **CREATES, REDEEMS** and **SANCTIFIES**, always with love and through love, and enables every creature that welcomes him to reflect a ray of his beauty, goodness and truth. He has always chosen to walk with mankind and forms a people who may be a blessing for all nations and for each person, excluding none. A Christian is not an isolated person; he or she belongs to a people: this people that God forms... May the Virgin Mary help us to joyfully fulfil the mission of witnessing to the world, thirsty for love, that the meaning of life is precisely the infinite love, *the tangible love of the Father, of the Son and of the Holy Spirit.*

Remember & Honor All Who Have Served

Today we remember those who've given their lives for our earthly freedom and worship the One who died and rose to ensure our eternal freedom.

A huge thank you to the men and women who showed up to spring clean the Crooked Lake Chapel. Every nook and cranny, cupboard and shelf was touched in some way. Light bulbs were changed, windows were washed, every pew was dusted and a load of vases and plates were taken to the Thrift Store. You are all appreciated!

Inspiration for the Week

The immensity, scope, intimacy, and pervasiveness of God's presence is too intense for the human mind. We often limit God by our expectations of Him and have a hard time just letting God be God. Some people all too easily lose faith because God does not meet their expectations. Worse still, the idea of faith is rejected altogether by others because of polarities and experiences they have that don't square with who they need God to be. The Holy Trinity is one of those teachings that is best encountered rather than dissected. It is only through being present with the Trinity that we can experience both the immensity and otherness of God's presence as well as the intimacy of the God who wants us to call Him "dad." We feel the loving guidance of a God who wants to take us from fear and give us confidence. Our God of yesterday, today, and tomorrow is a God of all ages whose three-fold Presence invades all senses, seasons, and times. God, who is Father, Son, and Holy Spirit, is much more than any of our expectations if we simply let God be who God is.
