The Most Holy Body
and Blood of Christ

Then he took a cup, gave thanks, and gave it to them, and they all drank from it. He said to them, "This is my blood of the covenant, which will be shed for many. Amen, I say to you, I shall not drink again the fruit of the vine until the day when I drink it new in the kingdom of God." - Mk 14:23-25

Dear Parishioners and Friends of St. Mary's of the Lake:

[Below is Pope Francis' Reflections at the Angelus on the Corpus Christi 2018]:

Today in many countries, including Italy, we are celebrating the Solemnity of the MOST HOLY BODY and BLOOD OF CHRIST, or, according to the better known Latin expression, the Solemnity of *Corpus Christi*. The Gospel recounts Jesus' words pronounced at the Last Supper with his disciples: 'Take; this is my body'. And then: 'This is my blood of the covenant, which is poured out for many' (Mk 14:22, 24).

- ◆ Precisely by virtue of this testament of love, the Christian community gathers every Sunday, and each day, around the Eucharist, the sacrament of Christ's redeeming Sacrifice. And, attracted by his *real presence*, Christians adore him and contemplate him through the humble sign of the Bread which has become his Body.
- ◆ Each time we celebrate the Eucharist, through this most sober and also so solemn Sacrament, we experience the New Covenant which fulfils the communion between God and us. And as participants in this Covenant we, although small and poor, cooperate in building history as God wills. For this reason, while constituting an act of public worship of God, every Eucharistic celebration refers to life and the tangible events of our existence. As we are **nourished by the Body and Blood of Christ**, we are assimilated with him; we receive his love within us, not to hold it back selfishly, but rather to share it with others. This logic is inscribed in the Eucharist: we receive his love within us and we share it with others. This is the *Eucharistic logic*.
- ◆ Indeed in it we contemplate Jesus, Bread broken and offered, Blood poured out for our salvation. It is a presence which like fire sears the selfish attitudes within us, purifies us of the tendency to give only when we have received, and ignites the desire to **make ourselves too, in union with Christ, bread broken and blood poured out for our brothers and sisters**.
- ◆ Thus, the celebration of *Corpus Christi* is a **mystery of attraction to Christ and of transformation in him**. And it is the school of concrete love, patient and sacrificed, as Jesus on the Cross. It teaches us to become more welcoming and available to those who are in search of understanding, of help, of encouragement, and are marginalized and alone. Jesus' living presence in the Eucharist is like a door, an open door between the temple and the road, between faith and history, between the city of God and the city of man.

St. Ambrose Parish in Wabeno is looking for help!

St. Ambrose is looking for someone to clean our church complex. Hours flexible, duties vary on an as needed basis. Minimum requirement would be for the complex to be clean prior to Sunday Mass. Inspiration for the Week

As we gather today to reaffirm our faith in the Real Presence of Christ in the Eucharist, we are reminded that we are also the Body of Christ. The mission of the Gospel calls us to be Christ for others. There is so much brokenness and pain in our world. Many people are lost and feeling lonely, marginalized and oppressed, victimized and abused. Every time we receive the Body (and Blood) of Christ, we are asked to become what we eat. Are we willing to step aside from our preoccupations and concerns so that we can be Christ for others? The power and presence of Christ in the Eucharist becomes present in us. In receiving this transforming presence of Christ, we can truly effect change in the lives of those we meet. We can show them God's unconditional, ever-present love and the beauty that can come from loving others. We are given the grace to become temples of justice and peace, carrying God's sacred Presence within us wherever we go.
