

# St. Mary's of the Lake

June 13, 2021

Eleventh Sunday  
in Ordinary Time

“This is how it is with the kingdom of God; it is as if a man were to scatter seed on the land...Of its own accord the land yields fruit, first the blade, then the ear, then the full grain in the ear. And when the grain is ripe, he wields the sickle at once, for the harvest has come.” - Mk 4:26, 28-29

## Dear Parishioners and Friends of St. Mary's of the Lake:

[Below is part of Pope Francis' Reflections at the Angelus on the Eucharist June 6, 2021]:

The Gospel presents us the narrative of the Last Supper (Mk 14:12-16, 22-26). The words and gestures of the Lord touch our hearts: He takes the bread in his hands, pronounces the blessing, breaks it and offers it to the disciples, saying: 'Take; this is my body' (v. 22).

◆ And thus, with simplicity, Jesus gives us the greatest sacrament. His is a humble gesture of giving, a gesture of sharing. At the culmination of his life, he does not distribute an abundance of bread to feed the multitudes, but he splits himself apart at the Passover supper with the disciples. In this way Jesus shows us that the aim of life lies in self-giving, that the greatest thing is to serve. And today once more we find the greatness of God in a piece of Bread, in a fragility that overflows with love, overflows with sharing. *Fragility* is precisely the word I would like to underscore. Jesus becomes fragile like the bread that is broken and crumbled. But his strength lies precisely therein, in his fragility. *In the Eucharist fragility is strength*: the strength of the love that becomes small so it can be welcomed and not feared; the strength of the love that is broken and shared so as to nourish and give life; the strength of the love that is split apart so as to join us in unity...

◆ Each time we receive the Bread of Life, Jesus comes to give new meaning to our fragilities. He reminds us that in his eyes we are more precious than we think. He tells us he is pleased if we share our fragilities with him. He repeats to us that his mercy is not afraid of our miseries. And above all he heals us with love from those fragilities that we cannot heal on our own. WHAT FRAGILITIES? Let's think. That of feeling resentment toward those who have done us harm – we cannot heal from this on our own; that of distancing ourselves from others and closing off within ourselves – we cannot heal from that on our own; that of feeling sorry for ourselves and lamenting without finding peace; from this too, we cannot heal on our own. It is He who heals us with his presence, with his bread, with the Eucharist. The Eucharist is an effective medicine for these closures. The Bread of Life, indeed, heals rigidity and transforms it into docility. The Eucharist heals because it joins with Jesus: it makes us assimilate his way of living, his ability to break himself apart and give himself to brothers and sisters, to respond to evil with good. He gives us the courage to go outside of ourselves and bend down with love toward the fragility of others. As God does with us. This is the logic of the Eucharist: we receive Jesus who loves us and heals our fragilities in order to love others and help them in their fragilities; and this lasts our entire life.
