PARISH SUPPORT Last Weekend

Total Weekend Offering (114 env) \$2455
 Loose Donations \$330
 Building (6 env) \$80

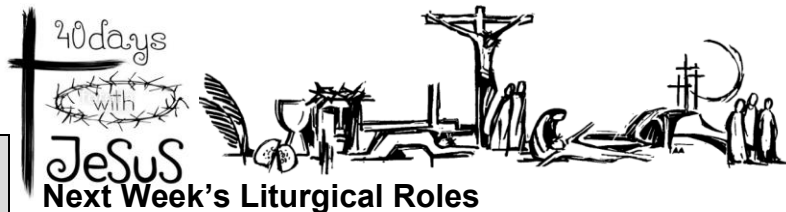

Sincere thanks to all who share the responsibility of parish support. Your care, concern and generosity are greatly appreciated!!

Jesus cleaned out the temple of money-changers. He was angry; He was zealous; He spoke with authority. He was doing what He had to do even though it involved risk, danger, insult and wonder. Such is a religious vocation in the Church. If you think God might be calling you to be a priest, religious, or permanent deacon,, **Contact Fr. PASTOR'S MESSAGE**Children's Prayer Experience**

This LENT ignite your prayer life, bring back family prayer time, make a lasting change that brings you and your family to a closer relationship with Christ.

Look for progress not perfection.

Use the following prayer activities to offer children-specific prayer experience.

Morning and Evening Prayer

The practice of morning and evening prayer begins in childhood. Pray with your children and explain how important it is to open and close the day in prayer. Then guide them in personalizing the prayers for the months of Lent. There are a variety of ways for the children to do this, e.g. drawing a special picture or symbol on the prayer or re-writing the prayer in their own words and illustrating it with symbols and pictures.

Lenten Prayers

Involve the children in preparing Lenten prayers for use in their homes. Pray several of the Lenten prayers together and talk about how they can lead their family in prayer each day. Here are several ways to engage the children in preparing Lenten prayers. The natural creativity of young children means they enjoy expressing their feelings and ideas through art.

Illustrate a Lenten Prayer Booklet for the family.

Select individual prayers and create prayer cards. Engage the children in creating their own prayer and prayer card. Create a placemat of Lenten prayers. (Laminate the placemat.)

Prayer Collage

Provide a variety of art supplies. Invite the children to use the materials to create a collage that expresses a prayer of thanksgiving, a prayer of praise, or a prayer of petition or intercession. You can invite the children to ask you to write a prayer on their collage that they dictate to you. You can preselect pictures or allow the children to find pictures that represent their prayer: thankfulness, praise, petition or intercession.

SHARE LENT: Defending the rights of poor communities fractured by forced evictions in Nigeria

In Nigeria, forced evictions are carried out violently, without consulting those concerned, as well as without warning, compensation, or providing alternative housing.

Thanks to your support, the Social and Economic Rights Action Centre, a Development and Peace partner, can train community leaders who then work with some of the most marginalized communities so they can engage in effective dialogue with the government. This year, we invite you to join Development and Peace's monthly giving program Share Year-Round. You will find brochures about the program as you leave the church. You can also register online at devp.org/shareyearround..
